

It's Just Us In Salinas

Everyone can be a part
There's no right or wrong in art
When we see with an open heart
Our world's not torn apart

Through the arts we get to see
We're the same though differently
We don't have to all agree
To be a part of humanity

And the arts can build a bridge
A starting place for poor or rich
We can cross and come back again
And recognize that we're all friends

Each of us is a work of art
There are many ways to share our hearts
We talk, we dance, we sing
We're a part of everything
